

LIFE ON THE HIGH SEAS

LANDLUBBERS CRUISE 2018/19

WELCOME TO OUR 27TH YEAR OF MOCK CRUISING!

PORTS OF CALL: DUBAI UAE – SHANGHAI CHINA – OAHU HAWAII – TRONDHEIM NORWAY – LLANDUDNO

When we first launched our Landlubbers cruise back in 1992 we never expected it to become our most popular holiday on our year planner. Years of experience and investment of time and money, together with a very loyal crew and the ability to reinvent ourselves every few years has in no doubt been the key to our success. Which is why we are once more in the Captain's cabin planning the 2018/19 cruise, thinking up new ideas, menus, ports of call and sourcing great props to ensure our Cruise delivers that all important feeling and atmosphere of actually having been at sea on a cruise ship.

Our 2018/19 sailing season has 17 four night cruises departing Dubai UAE throughout February and March and early April.

M.V. Tynedale, the original land-based cruise ship, first took to the oceans in 1992 since then, has been copied by many, but bettered by none! The experience starts with the issue of a Passport to all arriving passengers which gets stamped at each new port of call, providing you with a great, permanent memento of your holiday cruise. By the way... at each port, the locals all wear appropriate themed outfits!

DAY 1

DUBAI UNITED ARAB EMIRATES

A glittering city that has made its name in opulent luxury and cosmopolitan glamour, Dubai offers fun, sun and endless shopping.

With famous structures such as the tallest building in the world 'The Burj Khalifa', the world class Burj al Arab hotel and the man made Palm Jumeirah Island, have become the epitome of Dubai's extravagant culture, contrasting with the oldest parts of the city centred around Dubai's creek.

You'll be greeted by our famous Camel before making your way up the gangway to meet your Captain and crew and through passport control.

Afternoon tea awaits on the sundeck whilst our cabin stewards take care of your luggage. A safety briefing will then take place with life boat instruction.
