## April & October Variety Breaks

Entertainment and the Seaside go hand in glove, our four night package offers a Variety mix of Comedy, Cabaret, Great Food and Good Times.

Here's what's included - Four course dinners, special breakfast menus, great variety

entertainment and cabaret, late night buffets, afternoon tea and someone to carry your bags on arrival and departure. Add to this our special Tynedale hospitality and you'll soon see why these shortbreaks are a popular Spring and Autumn Get Away.
