THE BIG BLINDFOLDED BACKWARDS WALK 108 MILES 16TH DECEMBER 2022

**10AM START LLANDUDNO CENOTAPH PROMENADE.
DOUBLE THE DISTANCE OF 2018 TWICE THE TRAUMA**

Hi everyone on Friday 16th of December at 10 am Llandudno Vikings Nathan Midgley, Sam Midgley-Davies, Jamie Mills, Tom Jolley and Matt Harris will be taking on the gruelling challenge of walking backwards from Llandudno Cenotaph to Chester Town Hall and then all the way Back again...

Blindfolded dressed as Vikings!!!

We will be raising money for Macmillan, Blind Veterans and Welsh Air Ambulance. Three amazing deserving charities!!

This will be by far our most demanding challenge to date, both physically and mentally and who knows what the weather will throw at us. The challenge could take up to 60 hours; it's a team challenge so we can only go as fast as the last man. We are attempting to do get it done in one hit without sleep!!

Big thanks to our forward walking volunteers who will be our guides. Paul Williams, Gerwyn Lewis, Murod Samadov, Dave Parrish, Joe and Harry Jolley, Callum Hold, Graham Davies, Joel Hubbard and Antony Bertola.

Please donate what you can even if it's just your time to wave us off or welcome us home but ultimately Cash is King.
